

REMARKS

Claims 7-20 are original in the application. Examiner has rejected claims 7 and 14 under the judicially created doctrine of double patenting, and allowed claims 8-13, and 15-20. In the present Amendment, Applicants cancel Claims 8 - 15 without prejudice, and amend Claims 7, 9, 14 and 16. The independent claims 7 and 14, respectively, include the limitation of allowed claims 8 and 15. As such, claims 7, 9-14, and 16-20 are in allowable form. Therefore, Applicants request allowance of the application.

REQUEST FOR ALLOWANCE

In view of the foregoing, Applicant submits that all pending claims in the application are patentable. Accordingly, reconsideration and allowance of this application are earnestly solicited. Should any issues remain unresolved, the Examiner is encouraged to telephone the undersigned at the number provided below.

Respectfully submitted,

Dated: January 10, 2005
